

User-Questionnaire:

Tasks:

Ask how they feel navigating each page or after completing certain tasks. Overwhelmed, bored, frustrated, etc?

1. Can you find the SDGs list page?
2. Can you find the data about water use in Regina?
3. Can you find out what this project's mission is?
4. Can you go back to the home page without using a "going back" (like the ones in Google Chrome) feature from here?

1. Exploring SDG Information:

- How easy was it to navigate and find information about SDGs?
Rate your experience on a scale of 1 to 5.

- Were you able to easily locate detailed information about the SDG? If not, please specify any difficulties encountered.

2. Language:

- How was the readability of the text and information? Rate it on a scale of 1 to 5.

- Was the utilized language (tone, grammar, sentence formation) to your liking or was it something that needs more attention?

3. Engaging with Multimedia Content:

- How engaging and accessible did you find the multimedia content (images, infographics, etc.) related to SDGs? Rate your experience on a scale of 1 to 5.
- Were there any issues with understanding the multimedia content? Please elaborate.
- Was the content relevant and helpful to the topic?

4. Accessibility Features:

- Evaluate the website's accessibility features (text size, contrasts, colors, screen reader compatibility) on a scale of 1 to 5 and evaluate them.
- Were there any additional accessibility features you expected but did not find?

5. Inclusivity:

- Do you feel the website is designed with keeping the targeted users (The people with power) in mind? Why or why not?
